

## PRODUCT INFORMATION SHEET

**Product Name:** HVX.5000 40W70

**Date Issued:** 1<sup>st</sup> October, 2002

### PRODUCT

Prolube HVX.5000 is a high performance, high viscosity engine oil specifically blended for older motors showing signs of advanced wear. It provides excellent protection against wear, corrosion, oxidisation and sludge deposits. The high viscosity enables this product to maintain oil pressure and lubricity even under extremely hot conditions. This oil is suitable for engines running on unleaded petrol or LP Gas.

### APPLICATION

This oil is designed for 4 stroke petrol motors using LP, ULP, PULP and LPG fuels and requiring a high viscosity engine oil to reduce oil consumption and component wear. It is also suitable for sports and performance motors built with wide component clearances but it is **not** recommended for diesel, multi-valve or turbo charged motors.

### STANDARDS

Meets or exceeds the following:

Grade: 40W70

API: SG

### CONTAINER SIZES

205 Litres,

20 Litres,

5 Litres.
