

PRODUCT INFORMATION SHEET

Product Name: SYNTEGRA 5W40 SM CF

Date Issued: 6th November 2008

PRODUCT

Prolube Syntegra 5W40 is a fully synthetic motor oil which uses the latest additive technology to provide significantly better performance in late model petrol engines. It is suitable for naturally aspirated and turbocharged motors. It ensures better rust and corrosion protection, less oil oxidation and superior deposit control and wear protection. This product is particularly recommended where the manufacturer requires the use of a lighter multigrade oil or where vehicles encounter lower temperature operation, providing superior component protection at cold start-up.

APPLICATION

This oil is designed for late model 4 stroke petrol engines, particularly multi-valve, multi-cam models requiring a low viscosity oil for fuel economy, low emissions and high performance. It has been formulated for applications where 5W30 to 10W40 engine oils are specified. Also suitable for four stroke motorcycles fitted with wet clutches.

STANDARDS

Meets the requirements of or meets or exceeds the following specifications:

SAE Grade 5W40
API SM CF
ACEA C2-04 (2007), C3-04 (2004), A3/B4-04 (2004), A5/B5-04 (2007)
MB-Approval 229.51
Volkswagen VW50200 (2005), VW50500 (1997), VW50501 (2005)
BMW Longlife-04
Porsche

CONTAINER SIZES

205 Litres,

20 Litres,

5 Litres.
