

PRODUCT INFORMATION SHEET

**Product Name: SYNTEGRA 75W140 GL5
SYNTHETIC LONG DRAIN GEAR LUBRICANT**

Date Issued: 19th March, 2007

PRODUCT

Prolube Syntegra 75W140 is an extreme heavy-duty multi-application drive-line lubricant featuring full blend synthetic technology. It has been formulated for manual gearboxes, transfer cases and differentials including standard, limited slip and locking types. It provides outstanding gear, synchroniser and bearing lubrication as well as excellent cold flow and gear shift quality. In addition, there is the potential to significantly extend drain cycles.

APPLICATION

This oil is designed for most automotive, transport and heavy equipment gear applications subject to equipment manufacturers' recommendations. It has been specifically designed for severe service high-heat, high-load and constant running commercial situations.

STANDARDS

Meets or exceeds the following:

SAE Grade: 75W140
API: GL5

CONTAINER SIZES

205 Litres,

20 Litres.
